Shaffer Goldrush 2015 Customer Appreciation Sale

Show/Sale Requirements and Information

All pigs **must** be sired by boars in stud at *Goldrush*. It is recommended that **all pigs weigh greater than forty (40) pounds**. We prefer that pigs are born between *Dec. 1, 2014 and Jan. 20, 2015*. **We suggest that pigs be clipped.**

All pigs must have standard ear notches. Classes will be divided by breed and sex. There will be 12 divisions: Duroc, Hampshire, Yorkshire, Dark Crossbred, Light Crossbred, Landrace, Chester, Spot, Berkshire, Poland, Hereford, and Tamworth. Each breed will show by sex (boars and barrows are together). ***Note** –Both the Champion Light Cross & Champion Dark Cross will compete for the Champion Overall Title.

The sifter will sift entries to obtain a total between 125-150 pigs overall for the sale; so bring your best! Entries not making the sale will be the responsibility of the owner and they may be sold from your pens.

LOCATION – We will be holding the sift and sale in the Tom Raper building at the Wayne Co. Fairgrounds. We ask that you put 2 pigs per pen. If you bring 1 to 2 pigs we request you take 1 pen, 3 to 4 pigs 2 pens, and 5 to 6 pigs 3 pens. Penning is based off of first come, first serve. There should be plenty of space for tack areas around the perimeter of the barn. You must provide your own bedding. Shavings will be the only bedding allowed. Shavings will be available to purchase at the fairgrounds.

Lot Numbers- We use a numerical tag system as the lot # to identify each pig in the sale. If your pig is issued a tag from your vet, we can use that tag as the lot number as long as the numbers are easily readable (you are able to read the # easily from a distance), if not we will issue a tag to you for your lot #. If you are bringing a purebred and it is not tagged, we will issue a lot # tag to you. ****NEW for 2015** – the tags we will be using for lot #'s are plain number tags not recognized by the vet. All pigs must be properly tagged for before entering the fairgrounds to meet the health requirements.

Entry Fee and Commission

The entry fee is \$25 per head and must be postmarked by **Monday, March 2, 2015**. FEES MUST ACCOMPANY ENTRY FORM. Late entry fees will be accepted after this date at *\$50 per head*. Please remember **all entries must be checked in by 9:00 a.m. on Saturday, March 14, 2015**. All entry fees are non-refundable. A commission fee of 8% will be charged on all pigs sold through the sale. Proceeds from the sale will be mailed to the seller within 30 days of the sale date. In case of insufficient funds and/or nonpayment by the buyer, settlement with the seller will be delayed until collection is secured.

Registration Papers for Purebreds

It is the responsibility of the breeder to make sure papers get transferred to the buyer of pigs in a timely manner. This has been a problem in the past. We request that all transfers occur within **30** days of receiving buyer information. This is to uphold the integrity of the sale. Failure to transfer pigs in a timely fashion can lead to penalties in future sales. *We suggest that you bring the registration papers with you, fill them out and give them directly to the buyer.*

Disclaimer

Shaffer Goldrush is not responsible for any accidents, injuries, theft, or property damage that may occur during the Customer Appreciation Sale or any other event.

Prizes

Cash awards and banners will be given for all breed champions. Additional money will be given to the Grand and Reserve Grand Champion Male and Female Overall. Visit our website for a full list of winnings!

Health Regulation Requirements and Health Papers

An official interstate health certificate of veterinary inspection from state of origin and issued by a licensed accredited veterinarian must accompany each animal. All animals may be listed on one health certificate. **THE ORIGINAL HEALTH CERTIFICATE MUST ACCOMPANY SHIPMENT AND ONE COPY OF THE ORIGINAL CERTIFICATE MUST BE SUPPLIED FOR EACH ANIMAL.**

1. Each certificate must show: Name, address, phone number, and Premise ID of consignor and be consigned to 2015 Shaffer Goldrush Customer Appreciation Sale, Wayne Co. Fairgrounds, Richmond, Indiana.
2. **Individual identification of each animal is required. All Crossbreds must have a federally approved ear tag. It is preferred each cross be tagged with an 840 tag as every state recognizes these. However Indiana is still accepting State Tags (these are the tags starting with the number '32'). If your pig is sold to a state where state tags are not recognized then the vet will retag your pig with an 840 tag so it can cross state lines. Purebreds can still run off ear notches as long as registration papers are with the shipment.**
3. A permit number is required for all out of state pigs entering Indiana. Out of State Exhibitors will need to have their vet call the Indiana Department of Animal Health at 317-544-2381 and ask for Barb Pierle to obtain the permit number. Indiana Residents do not need a permit number.
4. Since all states are Stage 5 of Pseudorabies (PRV) eradication program, no testing is required for this sift and sale. If the animals come from a Pseudorabies qualified herd and from a Brucellosis validated herd, it is required that these numbers and the last test dates appear on the health certificate.
5. It is strongly suggested that all pigs be vaccinated for Mycoplasma, Erysipelas, Swine Influenza, and Circo Virus. Contact your local vet for these vaccinations.
6. All health certificates **MUST carry this updated statement:** Farm or origin of swine has not had any signs or diagnosis of PEDv within the past 30 days, herd is not under quarantine for any disease condition, fed no raw garbage, and uses no PRV vaccine.
7. Remember, an original Interstate health certificate must accompany each shipment and each pig must have one copy of the original health certificate.
8. Address any health questions to:
Dr. Daniel Hendrickson, the official show veterinarian, at **765-468-6099**.

All Cosigners who have their entries in by March 2, will be promoted on the Goldrush website! We will list your name, location, and number of entries you are bringing. If you know what breeds you are bringing or potentially bringing, let us know and we will add that information to the website as well.
